June 4, 1971

Robert J. Richardson
Engineering Planning Services, Inc.
1520 N. Main
Mishawaka, Indiana, 46544

Dear Mr. Richardson:

I have approved the permit for operation of a refuse disposal area to be located as described in your application dated April 21, 1971, and, the supporting maps and data included in report dated April 20, 1971 for the General Realty Co..

At the meeting in the office of the St. Joseph County Health Department on June 4, 1971 at 9:00 a.m. you, Mr. Marcus and Mr. Michelson and I discussed and agreed upon several items:

1. One trench is now available for fill.
2. Subsequent trenching excavated material will be used for fill in the trench being used as the program proceeds.
3. Excess sand, clay or gravel will be used to fill low spots.
4. As the filled areas progress, the area will be graded and made sightly or usable by seeding or for packing spaces.
5. The trench used will be covered each night in accordance with the Ordinance.
6. Protection will be provided to prevent unauthorized dumping.
7. Fire extinguishing equipment will be provided.
8. Material will consist of crating, packing materials and other commercial or industrial waste, except, putrescibles, liquids, volatile or chemical waste.

Sincerely,

LEH/ap

Louis E. How, MD, Director
St. Joseph County Health Dept.
